ACTIVITY INFORMATION

OPENING RECEPTION AT THE WASATCH BREWERY

"Where's the beer? Where are the breweries?" Those were among the first thoughts Greg Schirf had after moving to Utah from Milwaukee in the early 80's. Incredibly, drinking and brewing were all but forbidden. Greg took matters into his own hands and did what any self-respecting midwesterner would do: He started a brewery. Wasatch was the very first brewery in Utah – and one of the first craft brewers in all the U.S. – brewing award-winning brews since 1986.

In 1988, Greg Schirf proposed another bill to the Utah Legislature making brewpubs legal in Utah and opened the first brewpub at the top of historic Main Street in the resort town of Park City. Wasatch continues to misbehave, turning out naughty beer after naughty beer year after year.

Located at 250 Main Street, Park City, UT 84060

PARK CITY GHOST TOURS FOLLOWING THE RECEPTION

A leisurely 75 minute stroll up historic Main Street and back down. The ghost stories of which you will hear during a Park City Ghost Tour have been collected over the past twelve years. The research was conducted by owners Rob and Lela Newey, retired history teachers and filmmaker, Erik Hutchins who has studied metaphysics and paranormal activity including human ESP, and the mysteries of crop circles.

Through research, interviews, field recordings and other cutting edge methods these three investigators chose 15 stories because they were the most exciting... and terrifying. If you are a believer in ghosts you will hear some of the best ghost stories ever to come out of the west; and if you don't believe in ghosts, prepare to have your mind changed! Come see for yourself!

UTAH OLYMPIC PARK

In 2002, Utah hosted the world for the XIX Olympic Winter Games and the VIII Paralympic Winter Games. By any measure, the 2002 Games were a success – featuring 2500 Olympians representing 77 nations who came to Utah to pursue their Olympic dreams. Incredible venues and ideal weather combined to create the perfect stage for the athletes to perform at their best.

**OLYMPIC
PARK**

The largest crowds ever for an Olympic Winter Games (a record that still holds today) filled the venues and cheered for every athlete, in every sport, from every country. The US Team won 34 medals at the 2002 Games, shattering the previous record of 13.

The Utah Olympic Legacy Foundation celebrates the spirit of the Salt Lake 2002 Olympic Winter Games to inspire active, healthy lifestyles and increase community uses of Utah's Olympic venues. As Designated Official
